Furutech GTX-DR NCF AC Wall Outlet

Furutech has taken the humble outlet and run it through a gauntlet of refinement far beyond what most of us can imagine. Performance-wise there's no doubt that the Furutech removed a layer of low-level grunge from the Sonic window, reducing noise across the soundstage. Like a Sonic dust cloth, images were more tangible and retrieved with greater clarity. While the Furutech GTX is not cheap, its uncompromising quality and high performance make it seem like a small price to pay.
