

PF Brutus Award, 2016

On behalf of the creative community at Positive Feedback Online, and in recognition of significant contributions to the audio arts in 2016, this award is hereby presented to

Furutech for the
GTX-D (NCF) AC Receptacle

in order to encourage further excellence in
fine audio, to the greater good of all who
love it.

November 26, 2016 A.D.
